THE FACTORY MINISTRIES

Statement of Faith

The Factory Ministries is founded on core convictions based on a background of Biblical faith, serving to drive actions of empathy, care, and support as we walk alongside fellow travelers toward empowered and flourishing lives.

We prove each person's journey matters through empowering people, connecting resources, and building community while maintaining a posture of grace, gratitude, and generosity in connecting others to the love of Christ and sharing-deeper truths of Christ as we share our lives at increasing depths.

The Factory Ministries believes the Christian faith offers the truest explanation of the world we live in—a world created by God for human flourishing, broken by sin, redeemed through Jesus Christ, and moving toward the day when He will make all things new. This story shapes how we understand every person, every circumstance, and every opportunity to serve. The following Statement of Faith summarizes the biblical convictions that form the foundation of our Mission and the source of our Core Values.

Bible: What do we believe about Scripture?
We believe the Bible is God's inspired revelation of Himself, His purposes, and His redeeming work in the world through Jesus Christ. The Scriptures are the authoritative source for what we believe and how we live.

God: What do we believe about God?
We believe there is one God, eternally existing as Father, Son, and Holy Spirit. He is the Creator of all things, perfectly good, holy, loving, and just.

Humanity: What do we believe about Humanity?
We believe every person is created in God's image and therefore possesses inherent dignity, value, and worth. God created humanity to flourish in relationships with Himself and one another.

Sin: What do we believe about sin?
We believe sin entered the world through humanity's rejection of God and His good design for human flourishing. Sin brings brokenness into the world by fracturing our relationship with God, one another, ourselves, and creation.

Jesus: What do we believe about Jesus?
We believe Jesus is our Lord and Savior, who lived, died, & rose again in our place and for our sin. He is humanity's only hope for lasting healing & wholeness.

Salvation: What do we believe about salvation?
We believe salvation is God's gracious gift through faith in Jesus Christ. Through the Holy Spirit, God gives new life and transforms all who trust in Him.

Church: What do we believe about Church?
We believe every follower of Jesus belongs to His universal Church, expressed through local congregations that worship God, make disciples, and love their communities.

Mission: What do we believe about mission?
We believe God calls His people to proclaim the good news of Jesus Christ and to demonstrate His love through lives of service, mercy, compassion, and justice until Christ returns to make all things new.
